

English 1: Romeo and Juliet

Personalized License Plate

As we complete the reading of *Romeo and Juliet*, consider the personalities of the characters Shakespeare has created. Throughout the play we have had to decipher what these people were like according to their dialogues, speeches, and actions.

In modern times we can publicly advertise our own personalities in many ways: by driving a certain type of car; by wearing a t-shirt with a logo; by creating our own webpage like MySpace or facebook; by personalizing our license plate.

Directions: Choose one character from *Romeo and Juliet* and create a personalized license plate for that character on the back of this paper. The plate must contain an abbreviated phrase of up to 7 letters (see examples below), be colored and/or decorated. You may want to add details like registration tags or a license plate frame with a logo (“Go Capulets!” or “Benvolio bleeds Blue”). The assignment will be graded on completion, creativity, color, and care. HAVE FUN!
