

Photoshop Lab Day 3: 2/13, 2/14

Finish all other assignments before starting this:

Green Thumb

1. Go online and download several pieces of fruit and vegetables to use as pieces to construct a face.
2. You will need a large round or oval shape for the face and then will resize other facial parts as needed (nose, ears, mouth, eyes, hair, etc.)
3. The finished project should be 5" x 7" (portrait mode).
4. Save as a JPEG with your name and fruit in the title.
5. Email to maxfieldw@mehlville.k12.mo.us
6. Do a Photoshop Reflective Journal upon completion of this project.
