

Rocky IV

Scene 1 - Lighting

- 1. How does lighting convey a mood in the scene we watched?**
- 2. How would the scene be different if it were a daytime scene with bright lighting?**
- 3. Why does this scene take place on a staircase? (Think angles)**

Scene 2 and 3 - Montages

- 4. What story is told by the first montage?**
- 5. How is lighting significant when Rocky is driving the car?**
- 6. Is the music appropriate for the first montage?**

7. What is the purpose of the scene between the two training montages?

8. How are the training montages different from each other?

9. What colors are predominant in each main characters montage moments? What do you think these colors symbolize?

10. How is the lighting different for each main character?

11. What symbol(s) are used in these montages? What do they stand for?
