

# The Egyptian News

## Assignment:

You and your partner are rookie reporters for your local Egyptian newspaper. You have been randomly assigned to one section of the paper: Front Page News, Medicine and Health, International News, Royalty, Literary News, Sports, Travel, Family, Fashion, or Food.

Each group will be provided with a picture and background information on your particular topic. Using this information and knowledge from your previous readings on Egyptian myth, you will write an article that is appropriate for your assigned section of the paper. (Some groups may have the same information but assignments in different sections.)

Be creative, have fun, but most importantly tell a good story. Paint a picture with your words. You will be sharing these stories with the class.
