## ENGLISH IV: MYTH &amp; LEGEND

## Closing Ceremonies

**DIRECTIONS:** It is time to plan for the next life and honor your mortal life. First, you will create a mummy and decorate it with hieroglyphics and other important symbols. Then, you will write a eulogy about yourself to be read at your memorial service. Consider how you want to be remembered. Your eulogy should be approximately 300 words. (I expect quality, concise writing – grade level!) The eulogy and mummy (non-painted) are due at the end of class today. We will decorate our sarcophagus next time. Be prepared to read your eulogy in class. See the grading checklist below.
