

Comparing Front Pages

Please list the headlines for each paper.

Label each story as national, local, or human interest.

Circle the stories that appear in more than one paper from a specific city.

Put a plus next to the circled story with the better headline.

Put a checkmark next to each story that has an accompanying picture.

Rate each front page. 1 is low; 10 is high.

Compare city to city. Put a box around stories that appear in papers from each city.

City:

Paper#1 _____

Paper#2 _____

Paper #3 _____

Rating 1-10

Rating 1-10

Rating 1-10

Which paper has more effective pictures? Explain.

In your opinion, which paper has a better front page? Why?

What are some ways you see that headlines and photographs affect interpretations of news stories?
