I-Search Day 3

1. NewsBank and Gale Databases walkthrough
2. Finish typing Part 1 and Part 2. (Save your work to your server or flash drive.)

Now do 3 or 4 or some of both.

3. Conduct research on your project.
  - a. You need a minimum of 4 print/online sources.
  - b. At least one must come from NewsBank or Gale Databases.
  - c. As you search, skim through the articles you find to see if it is relevant to your topic. If it is relevant read it more closely, and print it out.
    - i. It is also usually easiest to create a works cited document as you go using [easybib.com](http://easybib.com). You can always delete entries at the end if you choose not to use them.
  - d. ALL SOURCES YOU PLAN TO USE MUST BE PRINTED AND TURNED IN WITH THE FINAL PAPER.
  - e. You may come up with new questions (W) as you search; add them to your chart and journal.
  - f. Fill out the L part of KWL as you research.
4. Type Interview questions. Due by end of next class. (Save your work to your server or flash drive.)
5. Complete and turn in exit slip during last 5 minutes of class.
