

## Pixlr Project Reflection

Name: \_\_\_\_\_ Block: \_\_\_\_\_

What skills did you learn from completing this project?

Tell me some things you feel that you did well on in this project.

What parts of this project challenged you?

How may a business use a project such as this?

What skills do you need to improve upon before doing a similar project?

If you were to assign yourself a grade for this project, what would it be? Why would you give yourself this grade?
