Please analyze the film *Sita Sings the Blues* through the following questions.

Choose 2 to answer in COMPLETE paragraphs.

- 1) What were the 3 different depictions of Sita in the film? What was the artist trying to say about Sita by having these 3 different characters play her?
- 2) Why did the artist choose blues music to act as a soundtrack for the story?
- 3) What did the film say about what it means to be a “good man” and a “good woman?” What do you think?
